Acne Scars*

WHAT ARE THE COMPONENTS WHICH MAKE MERO SOOTHING SCAR SO EFFECTIVE?

MERO SOOTHING SCAR The advanced powerful effect for the treatment of scar blemishes and restore the skin natural look and feel:

Onion Bulb Extract: Improves the appearance of post-surgical scars, adhesions and hypertrophic scars in addition to its exfoliating effect to restore natural skin color.

Sodium hyaluronate (Hyaluronic Acid): It fills the visible scars and reduce redness of the scars and gives stronger healthy skin.

Panthenol: Speed up natural restorative processes of your skin and reduce new scar formation.

Allantoin: It is one of the best Moisturizer ers.

Sesame Oil: It has high levels of essential fatty, and polyunsaturated, acids which gives higher levels of collagen at affected areas.

Centella Asiatica Leaf Extract: it works on strengthening and tightening of skin through boosting collagen synthesis and increasing blood supply to the affected area for better regeneration.

Aloe Vera Leaf Extract: it is Potent Moisturizer with Healing properties, It is a rich source for cell nutrients like minerals , vitamins , enzymes and amino acids which gives essential nutrients to the dermis layer and increase collagen and hyalurononic acids syntheses.

WHAT MAKES MERO SCAR CREAM SO UNIQUE?

MERO SOOTHING SCAR: contains the most trustable and comprehensive formula.

MERO SOOTHING SCAR: proven efficacy in increasing skin elasticity.

MERO SOOTHING SCAR: proven efficacy for maximum hydration.

MERO SOOTHING SCAR: proven efficacy for mature collagen formation.

Directions of use: Apply a thin layer on the scar with gentle massage, repeat 4-3 times daily, continue using until the scarred skin becomes soft and smooth.
